ECO – ENERGY FAIR

COPING WITH THE ENERGY CRISIS

Save the Date! Saturday, 24th September

Wetherby Town Hall, Market Place (10am to 3pm)

Energy prices have increased dramatically over the past year. This trend is set to continue, so it's important to look at ways to minimise the impact on already strained household budgets.

- ✓ *free entry to this community event*
- ✓ *practical tips to help you use energy more efficiently from today and*
- ✓ *save money on your energy bills.*
- ✓ *advice on solar PV, heat pumps & more*

Making small changes can lead to big annual savings.

Displays, Presentations, Tombola, Prizes, Children's Activities, Refreshments and lots more.
