

'Conversations with Better Wetherby'

to be held at The Waldorf Suite, The Bridge, Walshford Wetherby

You are invited to this evening event Wed. 12th April 6.30 for 7pm - 9pm

Formed in 2018 in response to new housing planned and supported by Leeds and Harrogate Councils, the Better Wetherby Partnership has made significant progress in protecting Wetherby and the nearby villages of Kirk Deighton, Collingham and Linton from harmful development .

The pandemic did however halt our full engagement with you, our partners. Our Steering Group, formed from those early partnership discussions, and those of you who have helped us to date, has continued to engage with planners and developers. We have had varied success in addressing our mission statement of protecting our communities. So we have arranged this event to briefly outline our progress and more importantly for you to discuss with us your hopes and concerns. Our future relies on continuing to develop this community led partnership approach.
