

- **Fivefold increase** in the number of victims supported by The Salvation Army in as many years
- **27 percent** rise in cases of modern slavery seen by The Salvation Army in a year
- **2,013 victims** received support from The Salvation Army in Year 5 of the contract

## Raise awareness NOW, Stop Modern Slavery

**Belief  
in  
Action**

● Do you drive? Do you have a car? If you answer yes then **we need your help**. The Salvation Army desperately needs drivers to transport victims of trafficking to safe locations.

● No car, no problem, **we need Chaperones** too. People just like you, who have a deep empathy for trafficked people and understand the role that The Salvation Army plays in their care.

● Become a **prayer warrior** and support this important area of mission for The Salvation Army

**The Salvation Army is holding an Information Evening  
at Wetherby Methodist Church on Thursday 23<sup>rd</sup> November 2017 at 7pm.  
Come along and find out how you can get involved. All are welcome.
